## Spring Baseball is Here!

It's happening... the registrations are coming in, the coaches are getting their gear cleaned up, the Board is aflurry with emails, spreadsheets, and lists. Time to join in!

The 2023 Spring Baseball season is shaping up to be a busy one. Registration is going really well - have you registered yet? If not - now is the time. Once Majors and Minors fill up, we'll move to a wait-list. Visit [www.wrll.org](http://www.wrll.org) to sign up your ball player!

Reminders:

- You do not need to upload any verification paperwork
- Include your team and coach requests during registration (T ball, Farm A and Farm AA only)

*Note to Minors and Majors families (grades 3-6):  
 Postseason tournament teams from WRLLL play well into July (and can be even later into the summer). Keep that in mind when you are making summer plans, to the extent you would like your player to be considered for selection onto any of these teams.*

## Dates to Remember

### 2023 SPRING SEASON

BE SURE TO NOTE THESE DATES IN YOUR CALENDAR:

- 2/25: Mandatory Coaches Meeting
- 2/26: Majors and Minors registration closes
- 3/4 & 3/5: Mandatory Skill Evaluation for Minors and Majors. Assigned date and time TBD.
- 3/5: T-Ball, A-Ball, and AA-Ball registration closes
- Week of 3/13: Teams Announced
- Mid-March: Practices begin
- Late-March: Games begin (after Spring Break)

Mandatory Skill Evaluation (minors/majors only): March 4th or 5th, time and place TBD. Please do not stress about the evaluation. Players with all different levels of development will be there. It is simply a way to help WRLLE set up roughly even teams skill-wise. Therefore: it is imperative that all players attend a session. But if you absolutely cannot make it work, please contact us at [president@wrlle.org](mailto:president@wrlle.org). Until then - play catch with your players to get them ready.

## Introducing: **Wilshire Way**

You're invited to be a part of history and support our campaign to construct an incredible new entrance to James Combs Field at Riverside. Your contribution will help bring the vision (see rendering) to life and create a warm welcome for all members of our WRLLE baseball community. This entrance will represent every little league player who has had the privilege to play on

James Combs field, and honors all the families who have spent their weekends cheering on their players. To learn more and donate or purchase personalized bricks, click [HERE](#) and be a part of history! Wilshire Way: coming soon!
